Dear Applicant,

RE: COMMUNITY DEVELOPMENT GRANT

Keighley Town Council has set aside £100,000 for Community Development in the budget for 2017-18. Bradford Council had previously funded Community Development workers in the Keighley area for over 10 years, however due to budget cuts taking effect from April 2017, funding for Community Development was no longer available.

This vital service for Keighley has been identified as an area that Keighley Town Council can support as it is a fundamental part of community growth, development and integration.

If your organisation wishes to be funded by Keighley Town Council from the 02nd May 2017 to 31 March 2018 to deliver Community Development work then you will need to complete a 'Community Development Expressions of Interest Form' and this will be considered.

The deadline for the submission for all forms is Sunday 02 April 2017.

Yours Sincerely

Ms Safia Kauser
Town Clerk
